

## *Kaleidoscope Cottage Photograph Consent Form “Say Cheese”*

At Kaleidoscope Cottage, all “Cottagers” are photographed at the beginning of the first visit so that we have a recent photo on file with the completed “Recipe of Me”.

We would like your consent to be photographed at times during your visit(s) to the Cottage as well. This option is voluntary, so please provide your signature below if you are accepting of this request.

I, \_\_\_\_\_ consent to be photographed while at Kaleidoscope Cottage or engaging in a related activity.

I further agree that these photos can be used for display at the Cottage, or for social media purposes.
